### Paving Stone

**DECO-BLOC** specializes in landscaping design and the installation of paving stones (pavé uni) for driveways, walkways, patios and terraces in both natural stone and pavé uni, pool decks, retaining walls, rock gardens, and all other landscaping projects.

**REPAIRS:** **DECO-BLOC** can assist you with your driveway and pave-uni repairs.

### Sod Installation

**DECO-BLOC** properly installs your new lawn and adequately adjusts imperfections in your land topography, giving you years of pleasure on your new lawn.

**REFER A FRIEND PROGRAM:** Refer us to a friend and **DECO-BLOC** will reward you and your friend with a rebate, (of your preference) upon signature of contract. Call for more details.

### Asphalt

**DECO-BLOC** offers a vast choice of asphalt paving. Always applying a uniform layer and a solid base guarantees a durable, solid driveway that you can enjoy for years to come.

### Rock Gardens

Dreaming of a beautiful rock garden filled with plants and flowers? With more than 30 years of experience, **DECO-BLOC** is the team you can trust.

### Sprinkler Systems

An automatic irrigation system is the easiest way to preserve the beauty of a landscape. By installing an irrigation system your plants and lawn will last longer.
